College Community Schools Launches New Website
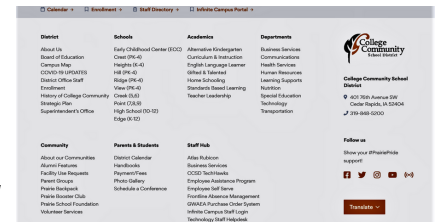

www.crprairie.org

The College Community School District has launched a new responsive website enabling users to navigate the website on their desktop, tables and mobile devices.

www.crprairie.org

Tips for Navigating the New Website

- Top news stories will be located at the top of the district homepage.

- At the bottom of the district homepage, you will find a listing of all Prairie schools and Quick Links. Quick Links include: I'm New, District at a Glance, Prairie Backpack, Meet the Staff, and Alumni Stories

- Click the MENU button to find all things Prairie. Each website page has a menu button located on the top right-hand side of the page. Clicking the MENU button will help users navigate when searching for information. The Menu Page includes the following: District, Academic, Schools, Departments, Community, Parents and Students, and Staff Hub. The menu page will also provide quick links located at the top of the page. Quick Links include: Calendar, Enrollment, Staff Directory, and Infinite Campus Portal.

Menu Page

- Each school page will include their building address, phone number, and contact information. The page will also list school announcements and hours.

- A link to employment opportunities can be found at the bottom of each page including the Human Resources section.

- The College Community Schools District logo icon located on each page will return you to the district homepage.

Important New Feature

The new website provides the District the ability to add emergency or important notifications on the district homepage or specific school websites. A red banner will appear at the top of the page. The District will use this feature to notify parents and community members regarding school closings, delays, and critical or emergency information.
