REPORT POSITIVE CASES

During online instruction, it is essential that families continue to report positive cases to ensure we can effectively monitor the continued impact of this surge on school operations. These can be reported to building administrators OR by filling out this [FORM](#)

UPDATED HYBRID SCHEDULE 12-1-20

We are planning for all PK-12 students to return to an every-other-day hybrid schedule starting Monday, December 14. [Click here](#) for the updated schedule. We will communicate with families if there are changes.

GRAB AND GO MEALS

FREE Grab and Go breakfast and lunch meals will be available for all children 18 years old and under at various locations in our school community. NEW! We added cooking instructions. [Click here](#) for cooking instructions. Your participation in the meal program helps to keep our program financially stable because it is a federally funded program. The District receives dollars for every meal served. We are here for everyone and want to serve the children in your household. [Click here](#) for details regarding times and locations.

No School Monday, December 7. Grab and Go Meals will be served at all locations on this day.

FACE MASK UPDATE

We are committed to doing all that we can to reduce the spread of COVID-19 while we experience higher rates of illness in our community. Upon return to Hybrid Learning on December 14th, students and staff will be required to wear face masks at all times unless the activity prohibits it (such as when eating), even when physical distancing is possible. Thank you for your cooperation in this mitigation strategy. When the rate of infection at school and in the community return to the numbers we saw earlier in the year, we will consider changing back to the mask OR 6 feet social distancing practice that we had been utilizing since the start of school.

TRANSPORTATION NEWS

The Transportation Department will be running buses while we are in on-line learning. Buses run better if they are not allowed to sit for long periods of time, especially when it is cold outside. We will be running them again on Friday, December 11th in preparation for a return to school on Monday, December 14th.
