The Summary of Benefits and Coverage (SBC) document will help you choose a health <u>plan</u>. The SBC shows you how you and the <u>plan</u> would share the cost for covered health care services. NOTE: Information about the cost of this <u>plan</u> (called the <u>premium</u>) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, visit <u>www.wellmark.com</u> or call 1-800-524-9242. For general definitions of common terms, such as <u>allowed amount</u>, <u>balance billing</u>, <u>coinsurance</u>, <u>copayment</u>, <u>deductible</u>, <u>provider</u>, or other underlined terms see the Glossary. You can view the Glossary at www.healthcare.gov/sbc-glossary or call 1-800-524-9242 to request a copy.

Important Questions	Answers	Why this Matters:
What is the overall <u>deductible</u> ?	<b>\$2,000</b> person/ <b>\$4,000</b> family per calendar year.	Generally, you must pay all the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your <u>deductible</u> ?	Yes. Well-child care, <u>preventive care</u> , physician maternity care, mammograms, in- <u>network</u> prosthetic limbs, one colonoscopy/sigmoidoscopy per calendar year and services subject to health and drug card <u>copayments</u> are covered before you meet your <u>deductible</u> .	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <u>www.healthcare.gov/coverage/preventive-care-benefits/</u> .
Are there other <u>deductibles</u> for specific services?	No. There are no other <u>deductible</u> s.	You don't have to meet <u>deductibles</u> for specific services.
What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ?	Health: <b>\$4,000</b> person/ <b>\$8,000</b> family per calendar year. Drug Card: <b>\$2,600</b> person/ <b>\$5,200</b> family per calendar year. The In- <u>Network</u> health and drug card <u>out-of-pocket</u> maximum amounts accumulate separately.	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the out-of-pocket limit?	Premiums, balance-billed charges, and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit.
Will you pay less if you use a <u>network provider</u> ?	Yes. See <u>www.wellmark.com</u> or call 1- 800-524-9242 for a list of <u>network</u> <u>providers</u> .	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan</u> 's <u>network</u> . You will pay the most if you use an out-of- <u>network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider</u> 's charge and what your <u>plan</u> pays ( <u>balance billing</u> ). Be aware, your <u>network provider</u> might use an out-of- <u>network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.

Important Questions	Answers	Why this Matters:
