summer camp

summitschools.org/programs/summer-camps

welcome to the summit community!

Summit Schools has been the summer destination for local children for over 20 years and is known in the community for high-quality programming that provides a hands-on approach to learning.

Summit proudly offers academic and themed camps for eight weeks during the summer for K–6th grade students. Summit also continues to present intensive academic camps designed to help build a strong foundation in reading/writing and/or math.

In addition to academic camps, Summit builds upon the acronym of STEAM (Science, Technology, Engineering, Arts, Math) with the addition of "R"- Reading and Writing. S.T.R.E.A.M. themed camps will be offered weekly. Although all courses/lessons taught within a week will focus on one specific area of S.T.R.E.A.M., students will be instructed by teachers in smaller groups based on their age-appropriate classroom groupings. These courses are sure to be engaging, interactive, and hands-on**, with the majority of coursework performed outdoors!**

Summit Schools has operated in-person during the 2020-21 school year while following the health and safety protocols as determined by the CDC and Linn County Public Health. As a result of more intensive policies and procedures, Summit has successfully operated without significant impact or delay to our regular school year. **Summit plans to follow the guidance of these two groups for summer programming, which may include face masks, social distancing, and sanitization protocols.**

Summit will update all registering families of the health and safety protocols that will be in place for summer programming, prior to the start of summer camps. Please know that Summit puts the highest priority on the health and safety of students and community members. Summit looks forward to offering the high-quality programming that you expect, in a safe and nurturing environment.

Thank you again for your interest in Summit Schools summer camps. We look forward to seeing you soon!

academic camps

$600 / session

close the gap in reading & writing

Take your reading, writing, and comprehension skills to the next level! Join our intensive and focused program for students in need of a boost in reading and writing, critical thinking, and creativity in language arts.

Teachers are trained in the Orton–Gillingham method, a high-quality instructional approach intended primarily for students who struggle with reading, spelling, and writing, but works for all.

Session 1

Dates: June 7 – July 2

Duration: 4 weeks

Time: 8:30 a.m. – 11:30 a.m.

Grade Level: 1st – 6th

math basics

Struggling with basic math computation? This camp is designed to help close the gap to success with addition, subtraction, multiplication, and division using manipulatives to strengthen concepts. This camp is appropriate for students with remedial math skills.

Session 2

Dates: July 6* – July 30

Duration: 4 weeks

Time: 8:30 a.m. – 11:30 a.m.

Grade Level: 1st – 6th

math enrichment

Are you a math whiz who just can't get enough? Then this camp is for you!

We'll determine your understanding of math and challenge you to keep growing during the summer break. This camp is for students who desire to stay engaged mathematically over the summer and have fun too!

Session 2

Dates: July 6* – July 30

Duration: 4 weeks

Time: 8:30 a.m. – 11:30 a.m.

Grade Level: 3rd – 6th

*No camp on July 5; starts Tuesday, July 6

summit
tutoring program

Summit's tutoring program offers a variety of subjects and study skills, and is open to all children in the Cedar Rapids area.

Email ***tutoring@summitschools.org*** for information and availability.

Summit proudly offers 4-week academic camps and weekly themed camps during the summer for students who are entering K – 6th grade. Summit's camps are known in the community for their high-quality programming, with more local partnerships and S.T.R.E.A.M.-based themes than ever before! Summit camps are kept small to provide an optimum learning environment.

Students who are registered for a full-day themed camp will have supervised lunch and recess between 11:30 a.m. – 12:30 p.m. Students should bring a lunch from home that does not require heating or cooling. Please note that lunch is not provided and students must be registered in a full-day themed camp to participate in the lunch and recess option.

before & after camp care

Before and after camp extended day care for students is available through pre-purchase only. This is also considered an **"add-on"** *(listed within the session)* of online registration.

a.m. extended day care	a.m. & p.m. extended day care
7:15 a.m. – 8:30 a.m.	7:15 a.m. – 8:30 a.m.
$35/week	*and* 3:30 p.m. – 5:30 p.m.
p.m. extended day care	$85/week
3:30 p.m. – 5:30 p.m.	
$60/week	

All extended day care must be registered for in advance.

- June camps will be confirmed **May 21, 2021**. July camps will be confirmed **June 25, 2021**.
- Notice of cancelled camps *(due to insufficient enrollment)* will be sent to the e-mail provided during registration. All camps cancelled by Summit Schools will be refunded in full.
- **NO REFUNDS** will be issued after **May 21, 2021**, but a credit will be allotted to the family's account to be used during Summit's 2021 summer camps.
- Waitlists are held until enough registrations have been collected to open an additional section(s) and staffing has been secured.

themed camps

week 1: science
june 7 – 11

s

ecology, habitats, & weather, oh my! Learn all about these science concepts and more. Be prepared to get dirty as you learn all about the organisms, ecosystems, and environment around Summit's campus. Summit will be welcoming a guest speaker from RARE (Raptor Advocacy Rehabilitation & Education) with a live raptor program! *(For grades K – 6)*
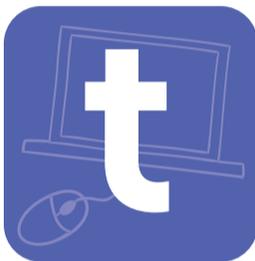

week 2: technology
june 14 – 18

t

calling all video game, coding, and robotics lovers! Build your coding and creative problem solving skills through engaging and hands-on activities. Be ready to discover, collaborate, and experiment. Whether you are a beginner or an experienced technology enthusiast, you will have plenty to learn and build upon. We will utilize programs such as MIT's Scratch program, Spheros, and LEGO® robots to master different challenges. *(For grades K – 6)*

week 3: reading/writing
june 21 – 25

r

do you love getting lost in your thoughts or letting your imagination run wild? Students will engage their imaginations while reading and writing poetry, journaling, playwriting, composing short stories, etc. about the world around them. Students will have the whole week to discover their inner author! *(For grades K – 6)*

week 4: engineering
june 28 – july 2

e

are you someone who just itches to know how things are made or how they work? Come along as we explore Rube Goldberg contraptions, LEGOS®, simple machines and more! Students will use the scientific method to design, build, test, and problem solve. We'll even put our detective skills to the test and crack some MythBusters cases! *(For grades K – 6)*

week 5: art
july 6* – 9

a

ready, set, let's be artistic! Free your inner virtuoso with a week of fine art! We will explore drawing, painting, sculpture, photography and music. Campers will get a chance to explore new mediums and find new creative ways to use their imaginations. If you love all things art and love getting a little messy, this is the camp for you! *(For grades K – 6)*

* No camp on July 5; starts Tuesday, July 6 | Price adjusted for the holiday: $200 full day option; $140 a.m. only option

week 6: mathematics
july 12 – 16

m

are you ready to put your basic math skills to use? Come learn how to practice your basic math skills in your day-to-day activities including cooking, shopping, and more that require math (there are a lot!). This week we'll build a business and practice our recipes in Culinary Creations. *(For grades K – 6)*

healthy life & recreation

Crafts, games, exercise, and water play are all centered themes that tie into lifelong learning experiences. Campers will participate in outdoor water play *(weather permitting)* such as slip-n-slide, water games, & more! *Additional fees may be assessed for activities periodically.*

IMPORTANT: Weeks 7 & 8 must be registered for *separately.*

week 7 July 19th – July 23rd	**week 8** July 26th – July 30th
full-day option 8:30 a.m. – 3:30 p.m. $250/week	**full-day option** 8:30 a.m. – 3:30 p.m. $250/week
a.m. only option 8:30 a.m. – 11:30 a.m. $175/week	**a.m. only option** 8:30 a.m. – 11:30 a.m. $175/week
