GRIEVANCE PROCEDURE

2.1 Purpose

The purpose of this procedure is to secure at the earliest possible level, equitable solutions to the problems which may from time to time arise under this agreement. Both parties agree that these proceedings will be kept informal and confidential as may be appropriate at any level of this procedure.

At all steps of a grievance the employer and union shall have the right to have representatives to attend any meeting required to resolve the grievance.

All meetings and hearings under this procedure shall be conducted private and shall include only witnesses, the grievant, and their Union representatives heretofore referred to in this article.

It is agreed that any investigation or other handling or processing of any grievance by the grieving employee or his or her representative shall be conducted so as to result in no interference with or interruption of work.

If any employee files any claim in any form other than the grievance form set forth in this agreement, then the District shall not be required to process the same claim or set of facts through the grievance procedure.

The number of days indicted at each level should be considered a maximum and every effort should be made to expedite the process. The failure to act on any grievance within the prescribed time limits shall constitute a waiver of the alleged grievance. A supervisor or administrator's failure to give a decision within the prescribed time limits shall permit the grievant to proceed to the next step. The time limits may be extended by mutual agreement.

2.2 Definitions

- (a) Grievance: A grievance shall mean only an allegation that there has been a violation, misinterpretation, or misapplication of any of the specific provisions of this agreement.
- (b) Grievant: As used herein, a "grievant" is the person(s) making the allegation.

2.3 Procedures

(a) **Step 1:**

Informal: Within ten (10) days after the occurrence of an event giving rise to a grievance, the employee involved shall discuss the matter with the immediate administrative supervisor in the employee's work area, with the object of resolving the matter informally.

(b) **Step 2:**

If the grievance is not resolved informally at the first step, the aggrieved employee shall file the grievance, in writing, with the district administrator assigned to that area, within ten (10) days after the informal conference. The written grievance shall state the nature of the grievance, reciting the specific clause or clauses of the agreement allegedly violated and specify the remedy requested.

(c) Within ten (10) days after the district administrator assigned to that area receives the written grievance, a meeting at a mutually agreeable time shall be held with the aggrieved to discuss the alleged grievance and attempt to resolve the same. The district administrator shall render a decision communicated in writing to the aggrieved employee including a copy to the Union within ten (10) days following the conference between the district administrator and the aggrieved.

(d) **Step 3:**

In the event the grievance has not been satisfactorily resolved at the second step, the aggrieved may file an appeal of the district administrator's answer within ten (10) days of the written decision with the Superintendent. Within ten (10) days after the written grievance has been filed with the Superintendent, the aggrieved and the Superintendent shall meet in an attempt to resolve the grievance. The Superintendent shall file an answer in writing within ten (10) days of the grievance meeting and communicate it in writing to the employee, including a copy to the Union.

(e) **Step 4:**

If the answer of the Superintendent is not accepted, the Union, within ten (10) days after receiving the Superintendent's answer, may request that the grievance be submitted to a joint committee consisting of the Board's Chief Negotiator, Superintendent or designee, the aggrieved, and the business representative of the Union. The Superintendent or designee shall, within ten (10) days

after the joint committee meeting notify the aggrieved and the Union in writing of the employer's decision on the grievance.

2.4 Representation

- (a) The grievant shall be present at all meetings, and at the option of the grievant, may be represented at such meetings by a representative of the Union.
- (b) All grievances at Steps 2, 3, and 4 shall be presented, discussed, and processed on the employee's (employees') non-working time. Any grievance at Step 1 may be discussed by the employee and his/her supervisor during the employee's working time, so long as such meeting and discussion does not interfere with the job, duties, and assignments of the employee, and where applicable, a Union representative, and does not interrupt the normal operations of the school system.

The seniority date is determined as provided in Article 4, and is subject to adjustment for layoff.

Requirements as to continuity of service: Service requirements for advancement within compensation ranges shall have the implication of continuous service, which means employment in school district service without break or interruption. Authorized leaves of absence with pay and leaves without pay shall not interrupt continuous service for longevity pay purposes.

3.6 Rate of Pay on Promotion or Transfer

In any case where an employee is promoted or transferred to a class with a higher base pay rate, the rate of pay shall be the probationary rate or at a rate of pay equal to or greater than their previous rates of pay for a minimum of 30 working days. 3.9 Overtime Work and Compensation

In emergencies, the employer may prescribe reasonable periods of overtime work to meet operational needs.

Employees on hourly rates shall be compensated for authorized overtime work by payment at time and one-half (1 1/2). Work on a Sunday will be paid at two times the hourly rate.

Overtime for the purpose of this paragraph shall be defined as all hours worked in excess of forty (40) hours in any week. For pay purposes the work week of the employer runs midnight Sunday of one (1) week to midnight Sunday of the next week. For purposes of describing "hours worked" in this paragraph, hours allowed for paid leave shall count as hours worked.

If the employer assigns an employee to perform work beyond his/her regular work week in any other classification within the bargaining unit, the employee shall receive a rate of pay at time and one-half (1 1/2) for performing this work, provided there is no unpaid leave in that work week.

If an employee works overtime of one (1) hour or more in a day, he/she shall not have any other work day hours reduced, with the exception of an extended work week for a district event (extended work week is when an employee is assigned to work a non-contracted event in exchange for a regularly scheduled day), to avoid the payment of overtime, provided there is no unpaid leave in that work week.

When an employee is required to perform routine work related to special events (Those events that are contracted with an outside entity and not a routine, rescheduled, regular school event, or State sanctioned event as determined by

the District), they shall be paid at one and one-half (1 1/2) times their rate of pay, provided there is no unpaid leave in that work week. In making these assignments, they will be rotated in order of seniority within their regularly assigned building or area on an equal basis in amount of hours. If the building assignment is incomplete, the assignment shall be in order of seniority, based upon qualifications, ability, experience and training; however, if no employee accepts the overtime, the least senior employee in the bargaining unit shall be required to perform the work.

There shall be no pyramiding of overtime in that any hours for which overtime or premium has been paid, will not be included, or counted as hours worked, for the purpose of determining further overtime or further premium pay under this agreement. A change in work schedule or trade-off of work assignments or other rescheduling work assignments requested by the employee, when approved by the employer, which results in work assignments within a work week in addition to the regularly scheduled forty (40) hour week of an employee, shall not be considered overtime.

An employee shall have the right to change a work day with another employee on the same shift upon their mutual agreement, and with the approval of the employer. In cases where an employee changed days with another employee, the employer shall not be obligated to pay overtime and the trade shall be limited to the same shift and the same classification and qualifications. The traded day shall be paid back with the same pay week period.

3.10 Lunch Periods

Each employee shall be granted a lunch period of thirty (30) minutes during his/her shift for a lunch period. The time of such lunch period may vary from day to day.

3.12 Call Back

An employee called back after his/her regular shift, for reasons beyond his/her control, shall be given a minimum of two (2) hours on his/her time card.

3.13 Special Salary Provisions

In any case when a permanent employee is qualified for, and is temporarily required to serve in and accept the responsibility for work in a higher class or position, that employee shall receive the hourly wage in that higher salary grade,

for which their longevity would qualify them after performing five (5) consecutive working days in that position provided, however, this provision shall not apply in training assignments.

3.14 Special Programs

Employees hired under programs involving federal or state grants, such as those under the heading of work experience, on the job training, or public service employment or other such program participants, shall be placed in training positions or assignment as deemed necessary by the employer for the duration of the special program. Work experience participants are classified as seasonal or temporary employees and as such are to receive the same pay, seniority and benefits as designated by the grant agreement from the state or federal government. On the job training and public service employee participants shall receive the pay, seniority, and benefits as prescribed for the grant agreement as shown in the program guidelines

Should an employee originally hired under any of the foregoing programs be later accepted as a permanent employee, seniority will be granted such employee as of the date of original employment, adjusted for leaves, absences, or other causes as is done for an employee hired on a permanent basis.

If the position to which such above mentioned employee has been assigned is to become a permanent job (i.e., to be funded from school budget) the rate shall be established in accordance with Article 3, Wages and Job Classifications.

3.15 Paraprofessional Pay
