Prairie Activities Registration Website Now Open for 2021-22 Athletics

The Athletic Registration Website (<https://prairie-ar.rschooltoday.com/>) opens on July 1 for athletic registrations for 2021-22 athletics for athletes participating in all IHSA and IGHS AU sponsored sports, as well as Cheer and Dance, for grades 7 through 12. Athletic registration is no longer linked with online student registration.

This streamlined process allows parents to register their athlete for athletics in the current school year, upload physicals, enter medical and emergency information for coaches at any time during the school year. This paperless process streamlines the process between parents, the Activities Office and coaches getting students on the field practicing sooner. ***Please do not send physicals with your student to school or mail them to the office.***

This is the only method for athletic registration for the 2021-22 school year. Once parents register their athlete the first time, they will then sign in each subsequent year, register for that year's sports, update information as well as electronically sign all yearly forms (concussion, medical release etc). *If you registered last year and have forgotten your login/password, please contact the Point or High School Activities Office for assistance. Please do not create a new account.*
