Later Start and End times for K-4 and High School Effective February 7, 2022

Reminder, effective Monday, February 7, 2022 through the remainder of the year, school start and end times for elementary (including PK and AK), Prairie High School and students in grades K-4 and 10-12 will be pushed 15 minutes later. This is a last resort decision due to the ongoing challenges with transportation impacting operations. This means all start times and dismissal times will be 15 minutes later than they have been this year. Bus riders will be impacted by some re-routing also. We are implementing this tough and difficult decision to help mitigate the potential of closures or extensive delays due to bus driver shortages.
