

2022-2023 Instructional Supply Fees Now available to Pay Online Through the CCSD Payment System-Touch Base

Prairie Families:

Once you have completed online registration, you may access the system with the link to the online payment system at <https://ia-collegecommunity.intouchrecepting.com/>

For those families that are new to the district, we have more detailed instructions for logging into and navigating the site. Please [Click here](#) for Touch Base parent instructions.

If you have any issues using the online payment system or questions regarding your student's fees, please contact your student's building secretary. Direct numbers for the buildings are listed below as well.

Prairie Crest Elementary: 319-848-5280

Prairie Hill Elementary: 319-848-5330

Prairie Heights Elementary: 319-848-5230

Prairie View Elementary: 319-848-5260

Prairie Ridge Elementary: 319-848-5100

Prairie Creek Intermediate: 319-848-5423

Prairie Point Middle School: 319-848-5500

Prairie High School: 319-848-5340

Food & Nutrition Meal Accounts: Our department is moving away from Titan and switching to Total K12/ Total Access for our point of sale nutrition system. Lunch account balances are currently unavailable to view in the payment system InTouch during this transition but lunch account balances can still be viewed in Titan. [TitanK12](#)

Once approved, the new system Total K12 will be used to monitor student transactions, set account limits and balance reminders, and to apply online for free and reduced price meals. Further information and instructions will be coming regarding parent access to Total K12.

Meal account payments can be made online using Touch Base: <https://ia-collegecommunity.intouchrecepting.com/> or by sending cash or check to the clerk in your student's building. If you send cash or check, please place the payment in an envelope and label the envelope with your child's name, grade, and indicate it is a meal account payment.
