College Community Named an AASA Learning 2025 “Demonstration System to Watch”

College Community Schools was recognized at the first annual AASA Learning 2025 summit as a “Demonstration System to Watch” in recognition for the District’s work in Social Emotional Behavioral Health / Social Emotional Learning. College Community is currently the only school district in Iowa engaged in the Learning 2025 network of nearly 500 school districts nation-wide. [Click here](#) to read more.

Transportation Department Makes Routing Changes

The College Community Schools Transportation Department is working hard writing routes for the upcoming school year. There are many factors that are used when writing these routes. One of the main considerations for us will be staffing. Due to our labor shortages we are having to make many changes. Some of these changes will include: less routes, less bus stops in neighborhoods, additional students on a bus, and limiting students to only one bus per household which will need to be the same both AM & PM routes.

All students K-9th grade will automatically be assigned a bus to/from their home address. Requests for transportation must be made prior to August 12, 2022. Please visit our [transportation page](#) to make these requests. If students do not ride the bus for more than 10 days they will be removed from the route. If you know that your student will not be riding the bus at all, please contact our department at 848-5204. This will help us to best utilize all of our seats.

Thank you for your understanding as we continue to deal with labor challenges.
