WHY PRAIRIE?

We offer a guaranteed and viable curriculum that is engaging and creative that keeps kids interested while having fun! Our preschool classrooms are located at all of the Prairie elementary schools as well as the ECC building.

Prairie preschool and wrap-around teachers collaborate to provide a unified curriculum between classrooms to continue education throughout the day.

WRAP AROUND CHILDCARE

That's right! We offer wrap-around child care for our Preschool students!

The preschool wrap-around classrooms are located in the same building as their Preschool classrooms.

Our wrap-around classrooms provide childcare when preschool classes are not in session (Monday's and Spring break etc.)
Wrap-around is open 6:30am -6:00pm
