

Safety at Home Football Games

This Friday, September 2, is Prairie's first home football game vs Dubuque Senior. If you have been to a football game in the fall we are sure you will understand some safety concerns, we have under our home bleachers. Congestion from students congregating near the concession stands can become overwhelming, and result in horseplay. Parents, we need your help.

[Click here](#) to review a message from the Prairie High School Activities office addressing safety concerns, rules, and parental support.

Addressing Concerns

The College Community School District recognizes that situations may arise where parents and community members have questions or concerns that need to be addressed. We strongly believe that all concerns are best dealt with using open communication and should be discussed by first talking to your child. This [guide](#) outlines the proper chain of communication for addressing concerns in the most efficient and effective manner.

New on the district website! A button feature has been added to the bottom of the [district homepage](#) titled [Questions and Concerns](#). If you have question or concern you would like addressed, please fill out the form and the appropriate staff member will reach out to you.

District Alert Notifications

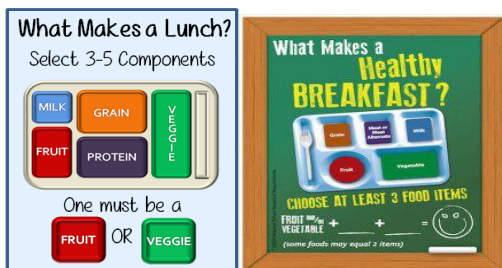

The College Community School District utilizes a notification service for parental and staff outreach for emergency broadcasts. The system will place a phone call, email and text message to parents, guardians and Prairie staff in the event of a safety or weather related issue. You will receive a message from 319-848-5200 indicating the alert. The district will also post announcements on our district homepage, district social media channels, and local TV and radio stations.

News from the Activities Office

- **Live Streaming.** Introducing LIVE STREAM for home events at the Stadium and South Gym at the High School through National Federation of High Schools (NFHS). This includes freshman football played at John Wall Stadium. Click [HERE](#) for the link to the Prairie High School page on NFHS. There is a charge to watch the live stream - you have the option per game or a yearly subscription to NFHS. A yearly subscription will allow you to see all events on the network. Some of our opponents also use NFHS live streaming and you would be able to view those games too.
- **Online ticketing.** Avoid long lines at home events and purchase your digital ticket in advance through Bound. Cash sales will still be available for regular season home events at the door. Click [HERE](#) for the link to the Prairie High School page on Bound. Find your event and then click on the purchase ticket link
- **Digital Activity Passes.** Activity Passes are available for purchase through Bound. Click [HERE](#) for the link to the Prairie High School page on Bound, Click on “Tickets” and select “Activity Pass” to purchase your pass. If you purchase a family pass, your family members must join Bound (it’s free) before you assign them the pass. Go to the same link, click Sign in in the upper right corner and then select Fan or Student to create your account.
- Please contact the activities office at Prairie High School at 319-848-5350 if you have any questions.

Food & Nutrition

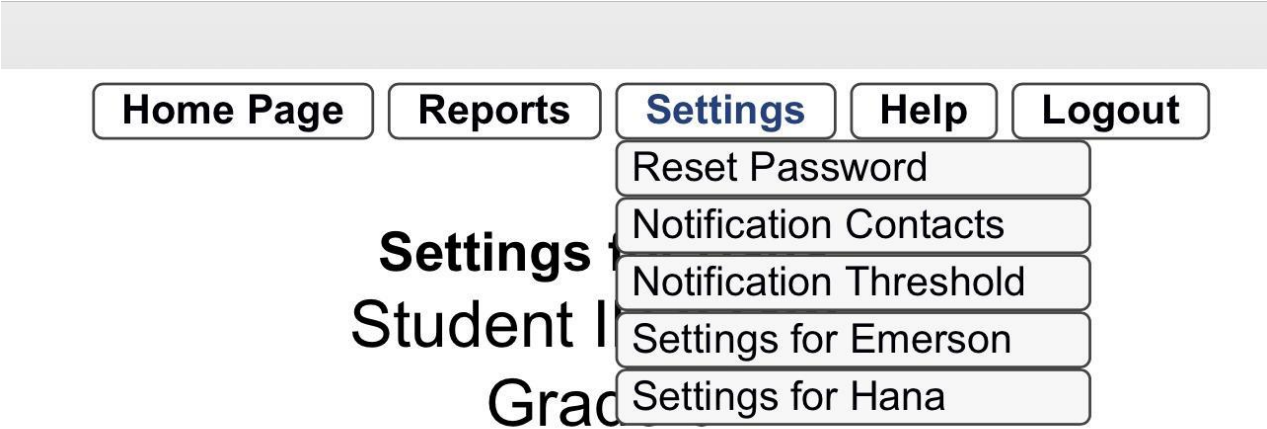

Breakfast and lunch is available to all students every school day. [Click here to watch a quick video explaining lunch.](#)

Free or Reduced Price Meal Information: If your household may qualify for free or reduced priced meals, please [click here](#) to complete the free or reduced price meal application. For applications translated into other languages please [click here](#). Once an application is submitted to the Food and Nutrition office, the application is processed and an email or USPS letter will be sent to notify you what your household has qualified for. If your household qualifies for free or reduced price meals, you are also eligible for a waiver or reduction of fees. Fill out a fee waiver form to qualify.

Payments for meal accounts are made online through In Touch or in person through the school store in any building. All meal accounts are family accounts and all deposits are shared by everyone in the household. For online payments using In Touch: [click here](#). You will login using your Infinite Campus PARENT PORTAL username. You will then click on the gray button that says "click here to set your password. (It is not automatically set to match your Infinite Campus portal password.) To view purchases or set spending or item limits, use the Total Access-Total K12 portal [click here](#). **A la carte** options are available to all students. Students may only purchase a la carte items with a positive meal account balance. (A la carte is any item that is not included in a reimbursable meal like snacks, drinks, popcorn, a carton of milk (a meal comes with one carton.) etc.) Starting October 1st, Creek will no longer be limited to 2 a la carte items. Students are not able to purchase items for others. A la carte items must be purchased the first time through the line as students are not able to go back through the line a second time. Creek Parents/Guardians, please set charge limits on your student's purchases, as you see fit. Creek students that purchase a la carte items during their lunch period, are required to eat or discard any remaining items before returning to their classrooms. Also, Creek students who do not have their lunch card cannot purchase a la carte items.

Setting spending limits: Login to the Total Access parent portal. Under the settings tab, each student in your family account will have their own tab under settings. Click on the student you are setting limits for:

This screen will open:

Breakfast is	<input type="text" value="Allowed"/>	Breakfast Spending Cap: \$	<input type="text" value="0.00"/>
Ala-Carte is	<input type="text" value="Allowed"/>	Lunch Spending Cap: \$	<input type="text" value="0.00"/>

***Note: Spending caps apply to *all purchases* including the basic meal.
For unlimited spending, enter 0 in the boxes above.**

From here, you are able to allow or not allow breakfast and/or a la carte. You are also able to set a daily limit for breakfast and lunch spending. If you do not want to limit the account, you do not need to do anything; leave the amount at \$0.00. If you want to allow for a grade 5-6 lunch \$3.05 and \$2 of a la carte per day you would set the amount to \$5.05. Once you have set your limits, click on “update” to save your changes.

To view breakfast and lunch menus: [click here](#). (There is also an app for your phone. Search for Nutrislice) We will do our best to stick to the menus posted however the supply chain and product shortage continues to impact our program. We appreciate your support. If you need assistance with free and reduced meal information/applications and fee waivers, meal account balances and transactions, menus, etc. Please reach out to Food & Nutrition:
