

Volunteer Opportunity

We Need You!

Volunteers are a critical part of the program.

The goal is that you share your experiences as a business owner, company employee, community member and/or consumer with students, while leading the short discussions.

Junior Achievement (JA) partners with school districts across eastern Iowa providing volunteer led programming.

JA is a for impact organization that connects students to the community, utilizing community volunteers as classroom mentors to facilitate discussions focused on work readiness, entrepreneurship and financial literacy skills.

Volunteering is fun, easy, and rewarding....

- As a JA volunteer you visit your partnered classroom about an hour a week, for 3-7 weeks based on grade and program.
- Every resource needed to lead the games and discussions are provided for you, via a JA kit that includes an outline for each visit as well as handouts

Visit JA Engage for a list of all of our volunteer opportunities!
