

What is the Kiwanis Miracle League?

ALL kids should be given the chance to play baseball. The Kiwanis Miracle League at Prospect Meadows makes baseball possible for children and youth in the metro area and surrounding counties – regardless of their abilities. Miracles happen as players experience the joy of baseball – being on a team, feeling the bat hit the ball, running the bases, hearing the crowds cheer for them, and cheering on their teammates. Parents and other guests of our players also have a great time cheering on the players.

How, when, and where are the games played?

On six Saturdays in the spring (beginning April 29), and six more in the fall, our kids have the greatest days of their lives. Each game takes an hour. Every kid will have an official team jersey and have a buddy assigned to them. Each player gets a hit and the last batter hits a grand slam to bring their teammates home.

Prospect Meadows is on the corner of Highway 13 and County Home Road just north of Marion. Just inside the entrance to the Prospect Meadows baseball park is the Marion Metro Kiwanis Miracle Field, where miracles happen.
