

Gardening with Children

Linn County Master Gardeners

June 19-21, 2023

Come and learn the basics of gardening and how to teach those skills to children and teens. The course focuses on composting, soils, seed starting, garden planning and field to table practices.

- **Two and a half days of hands-on training by local Master Gardeners**
- **One hour of teacher license renewal credit available through Grant Wood AEA**

Designed to help you create an educational garden program aligned with National and State Science Standards.

A great opportunity for school teachers and staff, parents, homeschool teachers, and college students

Registration Now Open!

\$25 per person

plus \$35 for optional teacher license renewal credit
