### **Busing Information Now Available!**

Attention Parents, your child's busing information for the 2023-24 school year is now available on-line. Please utilize Campus Portal and your username and password for viewing your child's busing information. We made many changes to routes, stop locations, and bus numbers over the summer. It is very important that you take a look at this information at this time to verify if everything is correct. Please talk with your student(s) regarding their new busing information to help make the first days of school flow smoothly.

Daycare, High School, Split Household and Open Enrolled busing must be set up every year, it does not carry over. If you need to set up daycare, high school, split household or open enrolled transportation please visit the transportation page at:

Requests for transportation must be made prior to August 12, 2023 to ensure a ride on the first day of school. If you have any questions, please contact the Transportation Department at 319-848-5204.
