

# Volunteer in a local classroom

*Several of our buildings will have the Junior Achievement program this spring. Volunteers are needed in some of our classrooms, and at JA BizTown!*

## Time Commitment

Visit your partnered classroom 5 times, each visit is just 30-45 minutes! Or spend part of your day at Prairie Creek's JA BizTown.

## What Do You Do

Have FUN sharing real world examples as you lead short discussions and games or help students through the JA BizTown simulation. JA provides you with everything you need to be a volunteer!
