

Where Kids Can Be Kids

ABOUT US

Our goal at Never Dream Less Foundations is to encourage kids to have organic fun with team-building activities. We teach kids to cope without electronics and help them increase their social skills. We offer tutoring, dancing, singing, podcasts and acting. We have something for every child.

OUR PURPOSE

To enrich the lives of individuals to help them reach their full potential.

OUR MISSION

To inspire the potential of the children in our community through arts, team building, and in person socialization.

WHY NDL?

As a kid growing up in my community, if you were not involved in sports or school activities, you often fell through the cracks. I noticed there was a void that needed to be filled in the Cedar Rapids/Marion community. Over the years we've noticed that programs for kids were becoming less and less. With Never Dream Less Foundations we want to grant the children the opportunity to chance their dreams no matter what obstacles they may face.
