OUTDOOR ACTIVITIES**

SUMMER 2024

Summit is dedicated to presenting a diverse curriculum that is intentionally inclusive. Summit uses its autonomy as an independent school to explore history and our world from multiple perspectives and lenses. At Summit we believe that we learn best when we consider experiences and explore opinions different from our own. We cultivate empathetic and independent thinkers who are aware they are part of a community and citizens of the world. We offer safe spaces to listen, share, question, and participate.

We are thrilled to announce that we will be introducing a brand-new summer camp registration software called **FunJoin**! This software has been specifically designed to enhance your registration experience for our upcoming summer camp. Our main goal with FunJoin is to create a smoother and more convenient registration process for all of you. We understand that life gets busy, and sometimes finding the time to register your child for our camps can be challenging. With FunJoin, you'll have the flexibility to register from anywhere at any time, using your mobile devices. No more worrying about missing out on registration deadlines. With FunJoin, all you need is your smartphone or tablet, and you'll be able to easily sign up for our summer camp in just a few clicks.

We are confident that FunJoin will not only simplify the registration process, but also provide a user-friendly experience for all families. If you have any questions or need assistance with FunJoin, we will be more than happy to help.

[CLICK HERE](#) To register now!

This summer Summit is offering a variety of specialized themed camps and a fun and fitness option featuring a different theme each week. Camp options include AM only, PM only or a full day. Several camps will give students a chance to interact with our Summit teachers. Summit teachers value and celebrate every unique student and give them the opportunity to flourish in a nurturing environment.

Summit is offering a holistic option to strength training. P.E.A.K. Performance will be available as an AM only option all summer for 3rd-8th grade. This will be taught exclusively by Summit's physical education teacher, Jamie Day, who will be focusing on strength training, speed and agility training and game play.

If you know Ms. Rachel Eilers, you know how special week 5 will be! Students entering 4th-6th grades will be creating delicious dessert pizzas each day. This camp is sure to be a hit! Register before it is full!

I'm excited to announce that Ms. Jackie will be teaching during weeks 7 and 8 of summer camp! She's excited to share her sewing and creative talents with 4th-6th graders. As the costumer for Young Footliters (a children's theatre group in Coralville) and occasional costumer for City Circle, Ms. Jackie brings a wealth of experience and fun to the camp activities. Join us for an unforgettable summer camp experience!

Whether you are new to Summit or a returning family, these camps will be sure to be a highlight of your summer. Your child will work in small and large groups with experienced instructors as they learn and create. At the end of each specialized themed camp, students will present their finished projects to friends and family! We look forward to seeing everyone this summer!

Register before March 31st to receive your early bird discount! Use code **summer24**, to apply 10% off your total purchase.

LEGO® & Engineering

Join us this summer for an exciting camp that combines the creativity of playing with LEGOS® and the fundamentals of engineering. Kids will have a blast as they build and design various structures using LEGOS®, while also learning about important engineering concepts. Don't miss out on this fun-filled learning opportunity!

Art + Science

Get ready to engage in fun-filled activities like cloud dough sculpting, creating vibrant rainbow paper, and experimenting with fascinating sun prints. Our camp offers a perfect blend of artistic expression and scientific exploration. Don't miss out on this opportunity to nurture your creativity while exploring the wonders of science.

Classroom Camping

Immerse your child in the exciting world of camping at our themed summer camp! With engaging activities like camping in the classroom, creating campfire stories, making s'mores, exploring art and science, and diving into captivating reading adventures, your child will have a blast while learning.

Graphic Novel Design

Ignite your creativity and showcase your storytelling skills! Get hands-on experience in creating captivating characters, designing dynamic layouts, and crafting original narratives. Don't miss out on this exciting opportunity to bring your imagination to life in graphic novel form!

PM

Weird Science

Join us for our "Weird Science" summer camp, where you'll have a blast exploring the wacky world of science! From slimy experiments to mind-boggling inventions, get set to think outside the box and have loads of fun. Don't miss out on this extraordinary scientific journey!

3D Art Design

Get ready for a week of creativity and imagination! Dive into the fascinating world of clay, where you'll learn to sculpt and mold unique masterpieces. Discover the beauty of repurposing recycled materials and transform them into stunning works of art. Explore the art of paper sculpture and discover the endless possibilities. Unleash your origami skills and create intricate paper creations.

Unexplained Adventures

Are you ready for an out-of-this-world experience? Join us for Unexplained Adventures, the ultimate summer camp that delves into the realms of zombies, aliens, Bigfoot, the Loch Ness Monster, and Godzilla! Get ready to embark on thrilling adventures and unravel the mysteries that captivate our imaginations.

Dessert Pizza with Ms. Rachel

Get ready to indulge in creating sweet treats with Ms. Rachel! These dessert pizzas will be a delicious twist on a classic favorite. Perfect for sharing and creating memories with friends, our summer camp dessert pizza is guaranteed to satisfy your sweet tooth cravings. Get ready to dive into a slice of pure dessert heaven!

AM

Shark Tank

Encourage your budding entrepreneurs to unleash their creativity as they develop innovative inventions. From ingenious gadgets to revolutionary products, our campers will learn to pitch their ideas like a pro. Join us for a week full of imagination, teamwork, and entrepreneurial spirit!

Sewing with Ms. Jackie

Come be a part of our exciting summer camp, where your child can learn the basics of sewing with the amazing Ms. Jackie! With a focus on beginner sewing skills and a fun, interactive atmosphere, our camp promises an unforgettable experience. Don't miss out!

Costume Design

In this interactive workshop, students will explore their creativity and learn the fundamentals of designing costumes for various characters. Through hands-on activities and collaboration, students will develop their artistic skills while having a blast with Ms. Jackie. Don't miss out on this opportunity to unleash your imagination and bring characters to life!

Optical Illusions

Our campers will explore the fascinating world of optical art, creating their own unique masterpieces. Through hands-on activities and engaging lessons, children will learn about perception, colors, shapes, and patterns. Don't miss this opportunity to spark creativity and challenge their visual senses!

PM

Fly, Flutter, Flap

Explore the wonders of nature through interactive activities, games, and hands-on experiences. Get up close and personal with various bird species and learn about other creatures that take to the skies. As an added bonus, the R.A.R.E. bird group will make a special visit, providing an unforgettable experience for everyone.

Set & Prop Design

Join Ms. Jackie to learn all about the exciting world of set and prop design! In this engaging class, students will explore their creativity while gaining skills in designing and creating sets and props for various performances. Get ready to bring stories to life on stage with Ms. Jackie's expert guidance. Let's create something amazing together!

Theater Acting Camp

Ms. Jackie will guide and inspire participants to explore the creative world of acting. Through fun activities and workshops, students will develop their confidence, improvisational skills, and stage presence. Don't miss out on this exciting opportunity to shine on stage!

MEET THE TEACHER

Jamie Day

Overview

"The current era of youth sports dictates that if you do not specialize early and devote your life to one particular athletic pursuit, you run the risk of being left behind. I have been an athlete all my life and have witnessed the shift from childhood being a time to explore a variety of physical activities in both structured and unstructured capacities shifting to an arduous full-time engagement, that frankly robs many kids of the fun and enjoyment of the sport. Current research demonstrates consistently that the best athletes experience an extended 'sampling period' during childhood. During this time they gather physiological, tactical and social lessons from a wide range of physical activities. This camp seeks to offer a more holistic alternative to young developing athletes. We will pull from a wide range of movement disciplines to comprehensively improve physical capacities. This includes strength, speed, mobility, field awareness, hand-eye coordination and spatial awareness. We will also dive into topics related to sports psychology, which includes the facilitation of a growth mindset, problem solving, teamwork, collaboration and coachability."

Experience

- 15 years strength training experience
- 2 years strength and conditioning internship
- 6 years coaching gymnastics
- 6 years teaching physical education at Summit
- College athlete
- 5 years competitive Olympic weight lifting

Participants can expect:

- A comprehensive and developmentally appropriate introduction to strength training.
- Context based speed and agility training.
- Small and large group games, intentionally chosen to develop a complete assortment of physical and tactile capacities.
- Discussion on modes of recovery, which include sleep, nutrition, hydration and stress management.
- A experience intended to build self-confidence, self-efficacy and work ethic.

P.E.A.K. Performance Camp | 8 weeks | \$200/week | 3th-8th grades

Are you ready to have a blast while staying active and learning about healthy habits? Look no further than our Fun and Fitness Camps!

Each week, our camps have a unique theme that focuses on healthy habits and being active. Whether it's exploring new sports, learning about nutrition, or engaging in team-building activities, campers will have a blast while developing essential life skills.

Our program offers a mix of indoor and outdoor activities, designed to cater to every child's interests and abilities. From exciting games and challenges indoors to engaging adventures and exploration in the great outdoors, there's something for everyone.

At our fun and fitness camps, we believe that education should be interactive and enjoyable. That's why we incorporate interactive games and group activities to keep campers engaged and excited about learning. They'll have the opportunity to make new friends, develop teamwork skills, and deepen their understanding of how to lead a healthy and active lifestyle.

So, join us for a summer filled with fun, fitness, and friendship! Sign up for our Fun and Fitness Camps today, and give your child the opportunity to make lifelong memories while building a strong foundation of healthy habits.

Let's get active and have an amazing summer together!

Olympic Games

Go for the gold as campers engage in a variety of Olympic-inspired activities. From friendly competitions to team-building exercises, our camp will keep your child active and entertained. Don't miss out on this awesome adventure!

Wacky Water

Dive into the wacky world of water as we explore thrilling water games, water relays, and water balloon challenges. Get ready to make a splash this summer, while staying active and cool. Don't miss out on the watery adventures at our camp this week!

Survivor

Join us for a week inspired by the hit TV show "Survivor". Campers will engage in thrilling challenges, teamwork activities, and physical exercises designed to build strength and endurance. Get ready to outwit, outplay, and outlast in this unforgettable camp experience!

Mission Impossible

This week's theme is "Mission Impossible," where campers will explore the world of secret agents through engaging activities that promote teamwork, problem-solving, and physical fitness. Join us for an unforgettable summer experience!

Party in the USA

This summer camp is all about celebrating American pride! With our patriotic themed games and activities, your child will have the opportunity to learn about and embrace their country's heritage while having a great time with their peers.

Around the World

Welcome to our exciting summer camp, where we combine fun and fitness with a global twist! Join us for a week of adventure as we explore different cultures from around the world. Through interactive games, sports, and engaging activities, campers will learn about diverse traditions, cuisine, and customs. Get ready for an epic journey around the world that will keep your body and mind active!

Battle of the Games

Join us for an action-packed week of fun and fitness at our summer camp! This week's exciting theme is "Battle of the Games." Campers will participate in thrilling challenges, friendly competitions, and team-building exercises. Get ready for a week filled with laughter, friendship, and endless games!

Color Wars

Join us for an exhilarating and action-packed summer camp experience, where we combine fun and fitness under the vibrant theme of "Color Wars"! Get ready for an explosion of excitement and teamwork as campers engage in various color-themed activities, challenges, and friendly competitions. Don't miss out on the adrenaline rush and everlasting memories that await you at our one-of-a-kind summer camp!
