### **Free and Reduced Price Meal Approval is Not Retroactive**

Benefits for free and reduced price meals begin on the day that the application is processed and approved. Meals charged prior to the approval of free or reduced price meal benefits, are not included in the benefit. It is the responsibility of the parent/guardian to pay any balance due. Free and reduced price meal benefits are not automatic. Please submit a new application each school year. If your child is usually directly certified by notice from the state, please make sure that the state has provided the notice to the Food and Nutrition Department.

If you are receiving notifications that your child's meal account balance has fallen below \$0.00 and you think they should be receiving free meals, please contact the Food and Nutrition Department, as soon as possible, by email [vscott@crprairie.org](mailto:vscott@crprairie.org) or phone 319-848-5337. If you feel that your child(ren) may qualify for free and reduced price meals, please [apply here](#). If you prefer a paper version of the application, please contact Food and Nutrition.
