## JUNIOR ACHIEVEMENT IS LOOKING FOR VOLUNTEERS

### CLASSROOM

- Classroom interaction 30-45 min.
- Volunteers visit once a week for 5 - 7 weeks.
- JA provides all the materials needed, including a detailed volunteer guide to walk you through each of the lessons.
- What we ask from you is to bring personal stories to share, along with any expertise, and your love for making a positive impact on a classroom of students.

Focus on teaching students how money works, how to find and prepare for a career, and what it is like to start and run a business. Engage students in the content with games, group work, and discussions. Volunteers from all backgrounds and careers are welcomed!

### EXPERIENTIAL LEARNING

- One-time commitment ranging from 4-6 hours.
- Volunteers support small groups of students through in-person experiences.
- On-site training is provided.
