

### **2025-2026 School Calendar Approved**

The College Community School District Board of Education approved the 2025-2026 school calendar at the January 13, 2025 School Board meeting. The calendar is now available and posted on our district website. [Click here](#) for the 2025-2026 district school calendar.

### **Weather Information and Notifications**

During the winter season, be mindful that delays and cancellations are probable. As early as possible, weather and road condition information is gathered from various sources, including city, county, state agencies, meteorologists, and personal inspection by school personnel. The safety of our students and employees is the overriding, deciding factor when canceling or delaying school. For early morning delays or cancellations, the District makes every effort to notify parents by 5:30 AM.

Announcements of College Community weather-related decisions are communicated by the Community Relations Office through multiple CCSD communication platforms such as a text, email, call, website notification, and local media outlets.
