

WHAT IS 3DE™?

With 3DE™, you can expect classrooms that are highly engaging, collaborative, and connected to the real-world. During the first year of high school, groups work together to solve real challenges in today's industries.

EDUCATION YOU CAN USE

Breaking free from the traditional classroom structure, 3DE™ reimagines the academic experience.

3DE™ AT PRAIRIE

There are currently 126 students enrolled in Case Study Business (3DE™) at the 9th Grade Center. There are 5 sections of 3DE™ and we are expected to add a 6th section next year. 3DE™ will continue to grow from 9-12th.

SITE VISITS

Hear from high level executives and learn about company roles.

MULTIPLE INDUSTRIES

Engage meaningfully with a range of industries and professions. By the end of their 9th grade year, students at Prairie will work with: Credit Unions Nationwide, Mount Mercy University, Van Meter, Arby's, CRICBT, and Delta.

COLLABORATIVE LEARNING

Exchange opinions and get feedback from peers while deliberating between potential solutions.

COACHING

Receive advice and insight from business professionals.
