

Battle of the Buckets

Hello Parents/Guardians & Teachers!

Prairie High School STUCO (Student Council) has partnered with elementary's to help raise money for HACAP food reservoir.

All 5 elementary schools are participating in a fundraiser called Battle of the buckets! Each school has a goal to raise \$500. The total amount raised will be matched by **Cedar Rapids Toyota**.

If you would like to donate you can send change (dollars or coins) with your child to school. This money will then add to the schools "Bucket"!

Several families in college community school district benefit from HACAP.

This fundraiser starts on Monday December 1st lasts until Friday, December 19th.

WE APPRECIATE EVERYTHING YOU DO!

All of the money goes to helping HACAP food reservoir select and buy materials/food that they are in need of and have a high demand of!

If you would like to learn more about what HACAP does, feel free to go to [HACAP.org](https://www.hacap.org)!
