Check Out the Prairie Summit YMCA Membership Video

Prairie Summit YMCA Membership opens March 1. Check out the video to learn more about facility features and the district and staff membership discount. If you sign up now with an annual membership, you'll have access to other YMCA facilities before Prairie Summit opens and your annual membership won't begin until the new facility officially opens.

Breakfast and Lunch Menu Changes

- Online menus are updated as soon as possible and can be viewed using [My School Menus](https://myschoolmenus.com/organizations/3329/).
<https://myschoolmenus.com/organizations/3329/>
The app “My School Menus” is also available from the App Store or Google Play. Use “College Community School District” to find our menus.
- All menus are subject to change without notice.
- School delays and cancellations may result in menu changes to reduce food waste.
- Due to current crop issues due to weather events worldwide and due to the conflict in Mexico, produce items are greatly impacted. There are items that we cannot purchase at this time. We are also seeing many quality issues and significant price increases with produce. Due to these reasons, menu changes may be necessary.
- Grades K-4: Due to unforeseen circumstances, mini tacos were replaced with a walking taco and Pizza Hut was replaced with taco pizza.

Summer Grocery Benefit for Kids

SUN Bucks provides \$120 in grocery benefits per eligible school-age child when school is out for summer. SUN Bucks can be used to purchase food from authorized retailers in participating states, Tribes, and territories. It may also be known as Summer Electronic Benefits Transfer (or Summer EBT) in certain locations.

How to Get Sun Bucks

In states, Tribes, and territories participating in SUN Bucks (Summer EBT), school-aged children whose families receive SNAP, TANF, FDPIR, or certain other income-based benefits will be automatically enrolled to receive SUN Bucks. Additionally, children who attend a school that offers the National School Lunch Program or School Breakfast Program and whose household income makes them eligible for free or reduced-price school meals may also be automatically enrolled in SUN Bucks.

Children who are not automatically enrolled may still be eligible for SUN Bucks. To qualify, a child's household must meet certain income limits and other requirements. Apply directly to the agency that administers SUN Bucks in your state, Tribe, or territory.

Once a child is enrolled, SUN Bucks may be automatically added to the household's SNAP account, issued as a separate electronic benefit transfer (EBT) card, or sent in other ways depending on how the program is operated where you live.
