johnson/youth-programs](http://www.extension.iastate.edu/johnson/youth-programs)

An action-packed day of hands-on learning experience for youth!

Campers need to bring their own peanut-free lunch and water bottle.
4-H membership is not required. All camps are limited to 24 participants.

Camp Information	Camp Description
Splash Into STEM with Lego Grade K-1 June 17, 2026 9:00 AM-3:00 PM	Set sail on a day of creativity and discovery! Campers will dive into hands-on building as they create ocean habitats, sea creatures, and exploration vehicles, mixed with movement breaks, storytelling, and teamwork fun. The exciting finale is an Ocean Rescue Mission, where kids design LEGO solutions to clean up pollution and protect marine life. We wrap up with a celebration and show-and-tell, sending every child home feeling proud to be a Junior Ocean Explorer and inspired to care for our oceans!
Submerged with Lego Grade 3-4 June 24, 2026 9:00 AM-3:00 PM	Dive deeper into STEM with our 4-H Engineering & Coding Camp. In this full-day adventure into engineering, robotics, and ocean science, campers work in small teams to design and build LEGO submersibles, then bring them to life using LEGO motors and block-based coding. They explore ocean layers, underwater technology, and the engineering design process by sketching out ideas and testing prototypes.
Nature Navigators Grade 2-3 July 1, 2026 9:00 AM-3:00 PM	Campers will explore the fascinating life cycle of monarch butterflies and pollinators, discover how flowers grow from seed to bloom, and create their own beautiful flower arrangements. Through fun activities and guided exploration, campers will also learn how produce travels from the garden to the table.

COST

\$33 per camp. Scholarships available: email Johnson County 4-H at johnson4h@iastate.edu. Fees for service will be used to offset direct expenses and to support Johnson County 4-H Youth Development programs.

Camps will be held at the Johnson County Extension Office
3109 Old Hwy 218 S., Iowa City, IA 52246
319-337-2145
