The Cedar Rapids Municipal Band presents eighteen FREE concerts around town this summer and your family is invited. This is a great opportunity to enjoy a variety of musical styles in a relaxed setting. Bring a blanket or lawn chairs. Sit up front or hang out at the back. A little musical wiggling is okay here. Stay for the full hour but feel free to leave before we finish.

Most band concerts begin at 7:30 PM. Also, enjoy **five** prelude concerts as indicated, featuring area musicians - entertaining events for young ones with early bedtimes.

"This is not a College Community School District publication. It is being distributed through the school district as a community service of the district to inform you of other community activities or services available."
