

2022 Boys Golf Information

Important Dates & Times:

August 8th @ 8:00 a.m. at Airport National Golf Course. This will be the 1st day of a 2-day **mandatory** 36-hole team qualifying tournament. Airport National allows us up to 32 golfers on the course, broken down to twenty-two 10th-12th graders, and ten 9th graders. This tournament will be used to determine the 32 golfers on the team, and 1st tournament 9th grade, JV and Varsity line-ups (Prybil results also factored into varsity lineup).

NEW THIS YEAR - online Rules test before qualifying rounds: there are quite a few changes that have been made to the rules of golf. Soon, an online rules test will be shared with you that you will be expected to pass **before 1st day of practice** as we want all our golfers to know the rules before the qualifying tournament.

- Optimist Tournaments: highly encouraged to play in these
- Prybil Tournament: late July- all potential varsity golfers are expected to play.
- Make sure you have registered online for golf before August 8th [LINK HERE](#)

Practice will be held at 8:00 a.m. Aug. 8th -12th. Starting August 15th, and for the rest of the year practice will be in the afternoon.

Lastly, check your school email periodically as you will get reminders there too, but don't hesitate to email or call with any questions.

Team Shirt & Uniform

We have one team shirt you'll need. It is a orange Nike Men's Short sleeve Polo. Let us know if you would like to buy one (optional - \$38) or check one out. FYI if you buy one it will be the shirt you will wear all four years so you may want to go a size up. To go with the shirt we also will be wearing black shorts or slacks, anything besides athletic shorts or pants will do. The store is currently open if you'd like to order any optional clothing - [LINK HERE](#) It is open until June 7th.

Thank you very much,
