SCHOOL ABSENCES DURING ONLINE LEARNING

As we transition into Online Learning (At Home) for our students, it is still very important that parents stay in touch with school offices about COVID-related symptoms and COVID exposure, as well as any absences for other reasons. Rates of student illness and exposure to COVID-19 are key metrics for our decisions about returning to school after Thanksgiving.

Please help us monitor the rates of illness in our schools and across our district by completing [this reporting form](#) or calling the school office if your child has symptoms of COVID, a positive test result, exposure to a positive individual, or an absence from virtual attendance for some other reason.

WAIVER APPROVED

College Community School District received notification from the Iowa Department of Education that our waiver to move to temporary online learning starting November 16 and ending November 24 has been granted. Waivers for online instruction through the Iowa Department of Education are only granted for two week increments. We continue to plan for an every-other-day hybrid learning model for all students PK-12 November 30 through December 22 (winter break).

COVID - RETURN TO LEARN

Reminder, visit our [COVID-19 UPDATES](#) page for all COVID-19 and Return to Learn Communications.
